

PECHA KUCHA PRESENTATION BRIEFING NOTES

The **DAA 2018 Conference Scientific and Social Program Committee** welcomes your contribution to the 2018 Conference. In order to help your presentation run smoothly, a number of services and facilities will be provided for you. Please take the time to **read these guidelines ahead of time** to ensure your presentation is successful.

TIME ALLOCATED

The DAA Program Committee is in the process of finalising the scientific program and you will be advised in the coming weeks the session time allocated to you. You have been allocated a maximum time of 6 minutes and 40 seconds, as the aim of a Pecha Kucha presentation is to be clear and succinct, avoiding text-heavy PowerPoints. As a courtesy to your fellow speakers, please ensure that you keep to your assigned time frame.

Please note: The Pecha Kucha session contains 12 presentations. Within the session, two panel discussions for Q&A will take place (one after the 6th presentation and the second after the 12th presentation).

SPEAKER PROCEDURES

Following is a brief explanation of the audio-visual (AV) procedures onsite at the Conference:

- Upon arrival at the Conference, all speakers are required to check-in at the registration desk to collect their name badge and other related materials. From there you will be directed to the Speaker Preparation Room to upload your presentation with the AV technician.
- Please assemble in your session room at least 10 minutes prior to the start of the session. This will allow time for the Chairs to liaise with the speakers.
- Your presentation will be available at the lectern. If you are not familiar with the equipment, visit your session room early or go to the Speaker Preparation Room for assistance well ahead of your presentation.
- In the unlikely event of a technical problem, there will be an AV technician located at the technical help desk located in the foyer of the Meeting Rooms on Level 2, Convention Centre. The problem will be fixed as quickly as possible. While this is being done you should continue with your presentation.
- Keep track of time. The chairperson will time all presentations and will provide you with warnings as you approach your time limit. It is essential that speakers keep to the Program timetable.
